President's Letter

Dear Members,

2003-2004 Ski Season Review/Summer Season Review

Wow! Where did the snow and season go? Here's some of the highlights of the season: The most popular day trips were Stratton and Okemo. Sugarloaf continues to be our most popular drive yourself long trip. We had almost 50 participants this year! See you next year same time, same place. Jackson Hole's highlight was the side trip to Yellowstone Park. The Park City participants had such a good time they want to go back.

We tried to offer a variety of mountains for all ski and snowboard abilities. We hope you were able to participate. We realize that cancellation of trips may have prevented you from achieving your ski or snowboard day goal for the year. I apologize to those of you who signed up for a cancelled trip. We try to schedule dates and mountains that will attract a lot of participation (i.e., meet minimum of 20 participants). Sometimes, we can't get the participation we need to make the trip "a go". We are working on a better policy for next year and have decreased the minimum number for a trip "to go" from 20 to 10. In addition, we would like to offer any member who pre-paid for at least two trips that were cancelled, free membership for 2004-2005. See page two of this newsletter for more information.

No, the club is not hibernating during the summer months! We have lots of activities planned to keep you in shape, in touch, and having a good time. Activities include kayaking, weekly roller-blading along the Canal, and a club cookout in July. Details are presented in the Summer Calendar in this newsletter.

Enjoy the weather. It's only seven months until ski season begins!!
